

"...mixes north Mississippi boogie with soulful lyrics and great songwriter's sensibility..."

— Jimbo Mathus

Olga Kiss Your Blues Away

Olga's unique blend of Mississippi Hill Country blues combined with singer/songwriter pop leaves audiences captivated.

Olga skillfully honors blues past, present, and shows us the future. Her voice both haunting and passionate takes you on a journey through cotton fields and swamps -- love and heartache. All and all a combination not to be missed.

Recorded at the historical WROX studios in Clarksdale, MS, Olga's Sophomore CD, "Kiss your blues away" features performances by a new generation of blues/roots players from Mississippi. Produced by Olga and Jimbo Mathus.

The album also includes Cedric Burnside, Garry Burnside, Eric Deaton, Kinney Kimbrough, T. Bryan Ledford, Max Williams, Ted Gainey and Barry Bays.

RIYL — Bonnie Raitt, Joan Osborne, Susan Tedeski, Lucinda Williams...

"Olga's music welcomes you in to sit and stay awhile in a warm, cozy environment... to have conversations of love, life and explorations of the soul. definitely a CD to listen to -- start to finish."
— Brian Jordan, Karl Denson's Tiny Universe

"Olga's voice is at the same time powerful and soothing. Her deep-rooted bluesy vocals accompany everything from bluegrass to gospel to soul. Whether performing solo or with a band, Olga adds an element that enhances any music. Perfect for a summertime festival stage or a dark smoky bar in New Orleans, and all points in between..." — Sam Elkin, Jambase
